Scoring

8 races are scheduled from Tuesday, July 29th to Friday, August 1st.
The „Lange Wettfahrt“ will be sailed on Saturday, August 2nd.

Depending on the deed of gift, the individual races in the class regattas will be scored with or without rating and with or without the „Lange Wettfahrt“ for the perpetual trophies.

The yardstick scoring is based on the ASF yardstick rules. Starting groups may be formed if there are sufficient participants.

The following applies in principle to the Atterseewoche class regattas:
8 races are scheduled. When 4 or more races have been completed, a boat's series score will be the total of her race scores excluding her worst score. When fewer than 4 races have been completed, a boat's series score will be the total of her race scores.

4 races must be completed to constitute a valid Austrian Championship for the Sonderklassen.

2 races must be completed to constitute a valid Upper Austrian Championship for the Sonderklassen.

For the big overall ranking of the Ransonnet Cup, the calculated times of the regattas from Tuesday to Friday count (regardless of the different starting times of the starting groups), as well as those of the „Lange Wettfahrt“, which has three scorings: Start - Burgau, Burgau - Finish, Start - Finish.

If the „Lange Wettfahrt“ has to be abandoned for safety reasons or due to a storm warning (or if the time limit is reached at 17:00 hrs), the times of boats that did not finish will be extrapolated as finish time for the Atterseewoche rankings based on their position according to the tracking at the time of abandonment or at 17:00 hrs, using the following formula:

Calculated finish time = time until abandonment (or time limit) x total distance / (total distance - missing distance)

[NP] [DP] Boats shall be kept in their assigned berthing places while in the harbour or boat parks.
